

Notice to Parents of Nursery Age Children

Children start full time school in the September of the school year in which the child turns five. Parents can choose to place their child in a school nursery if a place is available.

Please Note: A place in a school nursery does not guarantee a place in the school.

If you would like your child to attend a school nursery, you must consider the fact that your child may not be offered a place in the school. (Even if you have older children already attending the school.)

Applications for school places are made to the Local Authority in which your home address is. Applications are sent out in the November of the school year the child turns four.

If your child attends a school nursery you will be sent an application pack at the relevant time. If not you must register your child's details with Middlesbrough Admissions Team. Tel 01642 201890
