Describe how the body feels when still and when exercising	Describe how the body feels before, during and after exercise. Carry and place equipment safely.	Recognise and describe how the body feels during and after different physical activities. Explain what they need to stay healthy.	Recognise and describe the effects of exercise on the body. Know the importance of strength and flexibility for physical activity. Explain why it is important to warm up and cool down	Describe how the body reacts at different times and how this affects performance. Explain why exercise is good for your health. Know some reasons for warming up and cooling down	Know and understand the reasons for warming up and cooling down. Explain some safety principles when preparing for and during exercise.	Understand the importance of warming up and cooling down. Carry out warm-ups and cool-downs safely and effectively. Understand why exercise is good for health, fitness and wellbeing. Know ways they can become healthier.
Dance Skills						
Join a range of different movements together. Change the speed of their actions. Change the style of their movements. Create a short movement phrase which demonstrates their own ideas.	Copy and repeat actions. Put a sequence of actions together to create a motif. Vary the speed of their actions. Use simple choreographic devices such as unison, canon and mirroring. Begin to improvise independently to create a simple dance.	Copy, remember and repeat actions. Create a short motif inspired by a stimulus. Change the speed and level of their actions. Use simple choreographic devices such as unison, canon and mirroring. Use different transitions within a dance motif. Move in time to music. Improve the timing of their actions.	Begin to improvise with a partner to create a simple dance. Create motifs from different stimuli. Begin to compare and adapt movements and motifs to create a larger sequence. Use simple dance vocabulary to compare and improve work. Perform with some awareness of rhythm and expression.	Identify and repeat the movement patterns and actions of a chosen dance style. Compose a dance that reflects the chosen dance style. Confidently improvise with a partner or on their own. Compose longer dance sequences in a small group. Demonstrate precision and some control in response to stimuli. Begin to vary dynamics and develop actions and motifs in response to stimuli.	Compose individual, partner and group dances that reflect the chosen dance style. Show a change of pace and timing in their movements. Develop an awareness of their use of space. Demonstrate imagination and creativity in the movements they devise in response to stimuli. Use transitions to link motifs smoothly together. Improvise with confidence, still demonstrating fluency across the sequence.	Use dramatic expression in dance movements and motifs. Perform with confidence, using a range of movement patterns. Demonstrate strong and controlled movements throughout a dance sequence. Combine flexibility, techniques and movements to create a fluent sequence. Move appropriately and with the required style by using various levels, ways of travelling and motifs.

Acquiring and Developing Skills in Gymnastics (General)						
Create a short sequence of movements. Roll in different ways with control. Travel in different ways. Stretch in different ways. Jump in a range of ways from one space to another with control. Begin to balance with control. Move around, under, over, and through different objects and equipment.	Create and perform a movement sequence. Copy actions and movement sequences with a beginning, middle and end. Link two actions to make a sequence. Recognise and copy contrasting actions (small/tall, narrow/wide). Travel in different ways, changing direction and speed. Hold still shapes and simple balances. Carry out simple stretches. Carry out a range of simple jumps, landing safely. Move around, under, over, and through different objects and equipment.	Copy, explore and remember actions and movements to create their own sequence. Link actions to make a sequence. Travel in a variety of ways, including rolling. Hold a still shape whilst balancing on different points of the body. Jump in a variety of ways and land with increasing control and balance. Climb onto and jump off the equipment safely. Move with increasing control and care.	Choose ideas to compose a movement sequence independently and with others. Link combinations of actions with increasing confidence, including changes of direction, speed or level. Develop the quality of their actions, shapes and balances. Move with coordination, control and care. Use turns whilst travelling in a variety of ways. Use a range of jumps in their sequences. Begin to use equipment to vault.	Create a sequence of actions that fit a theme. Use an increasing range of actions, directions and levels in their sequences. Move with clarity, fluency and expression. Show changes of direction, speed and level during a performance. Travel in different ways, including using flight. Improve the placement and alignment of body parts in balances. Use equipment to vault in a variety of ways. Carry out balances, recognising the position of	Select ideas to compose specific sequences of movements, shapes and balances. Adapt their sequences to fit new criteria or suggestions. Perform jumps, shapes and balances fluently and with control. Confidently develop the placement of their body parts in balances, recognising the position of their centre of gravity and where it should be in relation to the base of the balance. Confidently use equipment to vault in a variety of ways. Apply skills and techniques consistently.	Create their own complex sequences involving the full range of actions and movements: travelling, balancing, holding shapes, jumping, leaping, swinging, vaulting and stretching. Demonstrate precise and controlled placement of body parts in their actions, shapes and balances. Confidently use equipment to vault and incorporate this into sequences. Apply skills and techniques consistently, showing precision and control. Develop strength, technique and flexibility throughout performances

	Begin to move with control and care.		Create interesting body shapes while holding balances with control and confidence. Begin to show flexibility in movements	their centre of gravity and how this affects the balance. Begin to develop good technique when travelling, balancing and using equipment. Develop strength, technique and flexibility throughout performances	Develop strength, technique and flexibility throughout performances. Combine equipment with movement to create sequences

Control my body when performing a sequence of movements. Participate in simple games.	Perform using a range of actions and body parts with some coordination. Begin to perform learnt skills with some control	Perform sequences of their own composition with coordination. Perform learnt skills with increasing control.	Develop the quality of the actions in their performances. Perform learnt skills and techniques with control and confidence. Compete against self and others in a controlled manner.	Perform and create sequences with fluency and expression. Perform and apply skills and techniques with control and accuracy.	Perform own longer, more complex sequences in time to music. Consistently perform and apply skills and techniques with accuracy and control.	Link actions to create a complex sequence using a full range of movement that showcases different agilities, performed in time to music. Perform and apply a variety of skills and techniques confidently, consistently and with precision. Begin to record their peers' performances, and evaluate these.

Acquiring and Developing Skills in Games (General)						
Hit a ball with a bat or racquet. Roll equipment in different ways. Throw underarm. Throw an object at a target. Catch equipment using two hands. Move a ball in different ways, including bouncing and kicking. Use equipment to control a ball. Kick an object at a target. Move safely around the space and equipment.	Use hitting skills in a game. Practise basic striking, sending and receiving. Throw underarm and overarm. Catch and bounce a ball. Use rolling skills in a game. Practise accurate throwing and consistent catching. Travel with a ball in different ways. Travel with a ball in different directions (side to side, forwards and backwards) with control and fluency. Pass the ball to another player in a game. Use kicking skills in a game.	Strike or hit a ball with increasing control. Learn skills for playing striking and fielding games. Position the body to strike a ball. Throw different types of equipment in different ways, for accuracy and distance. Throw, catch and bounce a ball with a partner. Use throwing and catching skills in a game. Throw a ball for distance. Use hand-eye coordination to control a ball. Vary types of throw used.	Demonstrate successful hitting and striking skills. Develop a range of skills in striking (and fielding where appropriate). Practise the correct batting technique and use it in a game. Throw and catch with greater control and accuracy. Practise the correct technique for catching a ball and use it in a game. Perform a range of catching and gathering skills with control. Throw a ball in different ways (e.g. high, low, fast or slow). Develop a safe and effective overarm bowl.	Use a bat, racquet or stick (hockey) to hit a ball or shuttlecock with accuracy and control. Accurately serve underarm. Build a rally with a partner. Use at least two different shots in a game situation. Use hand-eye coordination to strike a moving and a stationary ball. Develop different ways of throwing and catching. Move with the ball using a range of techniques showing control and fluency. Pass the ball with increasing speed, accuracy and success in a game situation.	Use different techniques to hit a ball. Identify and apply techniques for hitting a tennis ball. Explore when different shots are best used. Develop a backhand technique and use it in a game. Practise techniques for all strokes. Play a tennis game using an overhead serve. Consolidate different ways of throwing and catching, and know when each is appropriate in a game. Use a variety of ways to dribble in a game with success.	Hit a bowled ball over longer distances. Use good hand-eye coordination to be able to direct a ball when striking or hitting. Understand how to serve in order to start a game. Throw and catch accurately and successfully under pressure in a game. Show confidence in using ball skills in various ways in a game situation, and link these together effectively. Choose and make the best pass in a game situation and link a range of skills together with fluency, e.g. passing and receiving the ball on the move.

Running, Jumping and Throwing						
Run in different ways for a variety of purposes. Jump in a range of ways, landing safely. Roll equipment in different ways. Throw underarm. Throw an object at a target.	Vary their pace and speed when running. Run with a basic technique over different distances. Show good posture and balance. Jog in a straight line. Change direction when jogging. Sprint in a straight line. Change direction when sprinting. Maintain control as they change direction when jogging or sprinting. Perform different types of jumps: for example, two feet to two feet, two feet to one	Run at different paces, describing the different paces. Use a variety of different stride lengths. Travel at different speeds. Begin to select the most suitable pace and speed for distance. Complete an obstacle course. Vary the speed and direction in which they are travelling. Run with basic techniques following a curved line. Be able to maintain and control a run over different distances. Perform and compare different types of jumps: for example, two feet to two feet,	Identify and demonstrate how different techniques can affect their performance. Focus on their arm and leg action to improve their sprinting technique. Begin to combine running with jumping over hurdles. Focus on trail leg and lead leg action when running over hurdles. Understand the importance of adjusting running pace to suit the distance being run. Use one and two feet to take off and to land with. Develop an effective take-off for the standing long jump. Develop an effective flight phase for the standing long	Confidently demonstrate an improved technique for sprinting. Carry out an effective sprint finish. Perform a relay, focusing on the baton changeover technique. Speed up and slow down smoothly. Learn how to combine a hop, step and jump to perform the standing triple jump. Land safely and with control. Begin to measure the distance jumped. Perform a pull throw. Measure the distance of their throws.	Accelerate from a variety of starting positions and select their preferred position. Identify their reaction times when performing a sprint start. Continue to practise and refine their technique for sprinting, focusing on an effective sprint start. Select the most suitable pace for the distance and their fitness level in order to maintain a sustained run. Identify and demonstrate stamina, explaining its importance for runners. Improve techniques for jumping for distance. Perform an effective standing long jump.	Recap, practise and refine an effective sprinting technique, including reaction time. Build up speed quickly for a sprint finish. Run over hurdles with fluency, focusing on the lead leg technique and a consistent stride pattern. Accelerate to pass other competitors. Work as a team to competitively perform a relay. Confidently and independently select the most appropriate pace for different distances and different parts of the run. Demonstrate endurance and stamina over longer distances in order to maintain a run.
